## Overview

This bill removes various provisions requiring counties to approve Department of Natural Resources (DNR) land acquisitions.

## Summary

Section	Description
1	<b>State's responsibilities.</b> Removes a reference to county land acquisition requirements repealed under section 3.
2	<b>Land transfers by a federal agency.</b> Removes the requirement to get county approval when the DNR accepts agricultural land or farm homestead land within an agricultural preserve from a federal agency.
3	<b>Repealer.</b> Repeals Minnesota Statutes, sections 84.033, subdivision 3 (requiring county approval when the DNR acquires land for designation as a scientific and natural area (SNA)); 97A.145, subdivision 2 (requiring county approval when the DNR acquires wetlands and bordering lands for wildlife, recreation, and public hunting); and Minnesota Rules, part 6115.1220, subpart 8 (reference to the county land acquisition approval requirements for wetlands and bordering lands repealed in this section).
